# BREAKTHROUGH GH CHICAGO

*Empowering College  
Students to  
Take Control of Their  
Gastro Health*

Photo by Peter McCullough

## *Event*

Join us for an unforgettable evening at BreakthrouGH, the GH Foundation's signature fundraising event. Celebrate the progress being made in gastrointestinal health for college students and explore the importance of bringing this conversation to a younger audience. Connect with a dynamic community of advocates committed to supporting this vital cause. Enjoy a curated selection of drinks and hors d'oeuvres, and participate in an exciting silent auction.

## *Vision*

Our vision is a world where every college student can openly discuss their digestive health without fear of judgment and has access to the resources they need to thrive. We aim to create a campus culture that prioritizes GI health and supports students through education, access to care, and community-driven support.

## *Impact*

With your support, we can continue to empower students to take control of their digestive health, reduce stigma, and create a campus culture where talking about GI health is as normal as any other aspect of well-being. Help us reach our goal to raise \$100,000 to ensure every student has the resources they need to thrive in and out of the classroom.

Thank you for your investment in the health and well-being of the next generation.
