## SHINING LIGHT ON COLORECTAL CANCER

### *Event*

Join us for an extraordinary evening as we unveil BreakthrouGH Atlanta. This year's captivating theme, Shining Light, will illuminate the remarkable lives of those impacted by colorectal cancer, spotlighting their courageous and inspiring journeys. Leading the way is our Chair, Kaitlyn Gage, a perfusionist at Emory Healthcare, driven by her passion for education and deep connection to the cause.

Kaitlyn's dedication to 'shining light' on colorectal cancer extends to advocacy for research, support services, and impactful awareness campaigns that leave a lasting impact.

### *Impact*

Sponsoring BreakthrouGH presents a unique opportunity for you to ignite change in our relentless pursuit of dismantling barriers and advocating proactive gastrointestinal health and early detection strategies. With your invaluable support, we are committed to shining light on the importance of colorectal cancer and GI disease awareness. Together, we can create a world where open discussions about our digestive well-being are the norm, leading to enhanced outcomes.

Join us today and help shape the future of gastrointestinal health through the GH Foundation.
